Medicare Advantage reimbursement will be temporarily adjusted

April 14, 2020

This article is for acute care hospitals, clinicians, physicians, and primary care providers caring for our members

As part of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, the Centers for Medicare and Medicaid Services (CMS) has suspended the mandatory payment reductions known as “sequestration” from May 1, 2020 through December 31, 2020. We will follow CMS by suspending the reimbursement reductions for our Medicare Advantage hospital rates and professional rates for the same time period.
