Chiropractor performance reports are mailing

June 4, 2020

This article is for chiropractors.

By mid-June, chiropractors will receive their annual performance reports. The report compares care you provide to that of your peers and can be a useful tool in understanding your practice patterns.

The independent company that administers our chiropractic authorization program, WholeHealth Networks, Inc., a Tivity Health company, developed these and will be mailing them. If you have questions about your report, you can call WholeHealth Networks at **1-866-656-6071**.

Learn more about the chiropractic authorization program

You can get information about members included in the chiropractic authorization program, learn how to request authorization, and more on our [Chiropractic Services](#) page.
