

Blue Care ElectSM Enhanced Value (PPO)

Summary of Benefits

Effective on anniversary dates on or after October 1, 2009

✓ This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents effective January 1, 2009, as part of the Massachusetts Health Care Reform Law.

Your Choice

You receive the highest level of benefits under your health care plan when you obtain covered services from preferred providers. These are called your “in-network” benefits. You can also obtain covered services from non-preferred providers, but your out-of-pocket costs are higher. These are called your “out-of-network” benefits.

When You Choose Preferred Providers.

After a **\$500** copayment per admission, you have full coverage for inpatient hospital, physician, and other provider covered services. The **\$500** inpatient copayment does not apply to covered admissions in a rehabilitation hospital or skilled nursing facility. For some outpatient services, you pay a **\$20** copayment for each visit. And, there is a **\$250** copayment per admission for outpatient surgery in facilities other than an office setting.

Please note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you use is not a preferred provider, you’re still covered, but your benefits will be covered at the out-of-network level, even if the preferred provider refers you.

How to Find a Preferred Provider.

There are several ways to find a preferred provider:

- Look up a provider in the Provider Directory. If you need a copy of your directory, call Member Service at the number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com for Massachusetts providers.
- Visit the BlueCard® Provider Finder website at www.bcbs.com/healthtravel/finder.html.
- Call the BlueCard Program at **1-800-810-BLUE (2583)**, 24 hours a day, seven days a week.

When You Choose Non-Preferred Providers.

You must pay a calendar-year deductible for most out-of-network covered services. The calendar-year deductible begins on January 1 and ends on December 31 of each year. The deductible is **\$500** for each member (or **\$1,000** per family). After you have met your deductible, you pay **20** percent co-insurance for most out-of-network covered services. When the money you pay for the **20** percent co-insurance equals **\$1,000** for a member in a calendar year (or **\$2,000** per family), benefits for that member (or that family) will be provided in full for those covered services for the rest of that calendar year. In Massachusetts, payments to non-preferred providers are based

on the allowed charge. Please be aware that this means you may still be responsible for any difference between the allowed charge and the provider’s actual charge.

Emergency Room Services.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a **\$150** copayment per visit for in-network or out-of-network emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay. There is no deductible for these services.

Utilization Review Requirements.

You must follow the requirements of Utilization Review, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Home Health Care, and Individual Case Management. If you need non-emergency or non-maternity hospitalization, you or someone on your behalf must call the number on your ID card for pre-approval. Information concerning Utilization Review is detailed in your subscriber certificate and riders. If you do not notify Blue Cross Blue Shield and receive pre-approval, your benefits may be reduced or denied.

Dependent Benefits.

This plan covers dependents up to age 26, or for two years after the end of the calendar year in which they last qualified as a dependent under the Internal Revenue Code, whichever comes first. Additionally, this plan may cover unmarried full-time students or other unmarried dependents who do not otherwise qualify as eligible dependents. Please see your subscriber certificate (and riders, if any) for exact coverage details.
