HMO Blue Enhanced ValueSM

Summary of Benefits

Effective on anniversary dates on or after October 1, 2009

✓ This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents effective January 1, 2009, as part of the Massachusetts Health Care Reform Law.

Your Care

Your Primary Care Provider.

When you enroll in HMO Blue, you must choose a primary provider (PCP) for you and each member of your family. There are several ways to find a PCP: visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com; consult the Provider Directory; or call our Physician Selection Service at **1-800-821-1388**. If you have trouble choosing a doctor, the Physician Selection Service can help. We can tell you whether a doctor is male or female, the medical school(s) he or she attended, and if any languages other than English are spoken in the office.

Referrals You Can Feel Better About.

Your PCP is the first person you call when you need routine or sick care (see *Emergency Care—Wherever You Are* for emergency care services). Your PCP cares about your health, which is why, should you and your PCP decide you need a specialist, you'll be referred to the one your PCP determines is appropriate for treating your specific condition. If you have a specialist to whom you would like to be referred, discuss this with your doctor. Your provider may also work with Blue Cross Blue Shield concerning the Utilization Review Requirements, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. Information concerning Utilization Review is detailed in your subscriber certificate.

Emergency Care—Wherever You Are.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a **\$150** copayment per visit for emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay.

HMO Blue Service Area.

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts.

When Outside the HMO Blue Service Area.

If you're traveling outside the service area and you need urgent or emergency care, go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. Any additional follow-up care must be arranged by your PCP. Please see your subscriber certificate for more information.

Out-of-Pocket Maximum for Certain Copayments.

You're protected by an out-of-pocket maximum of **\$2,000** for a member in a calendar year (or **\$4,000** per family). Only copayments for hospital admissions, ambulatory surgery admissions, and emergency room services will be applied to your out-of-pocket maximum. You will still have to pay any costs that are not included in the out-of-pocket maximum.

Dependent Benefits.

This plan covers dependents up to age 26, or for two years after the end of the calendar year in which they last qualified as a dependent under the Internal Revenue Code, whichever comes first. Additionally, this plan may cover unmarried full-time students or other unmarried dependents who do not otherwise qualify as eligible dependents. Please see your subscriber certificate (and riders, if any) for exact coverage details.
