

Blue Care[®] Elect Preferred 80 (PPO)

Summary of Benefits

Effective on anniversary dates on or after January 1, 2008

This health plan, on its own, does not meet Minimum Creditable Coverage Standards for Massachusetts residents that will be effective January 1, 2009, as part of the Massachusetts Health Care Reform Law.

Your Choice

Your Deductible.

Your deductible is calculated on a calendar-year basis.

Your deductible is the amount of money you pay out-of-pocket each calendar year before you can receive coverage for most benefits under this plan. The calendar-year deductible begins on January 1 and ends on December 31 of each year. Your deductible is the first **\$500** of covered charges per member each calendar year (or **\$1,000** per family). This deductible applies to in-network and out-of-network services combined. This deductible does not apply to prescription drugs.

When You Choose Preferred Providers.

After your deductible has been met, you pay **20 percent** co-insurance for inpatient hospital, physician, and other provider covered services and some outpatient services.

Please note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you use is not a preferred provider, you're still covered, but your benefits will be covered at the out-of-network level, even if the preferred provider refers you.

How to Find a Preferred Provider.

There are several ways to find a preferred provider:

- Look up a provider in the preferred provider directory. If you need a copy of your provider directory, call Member Service at the number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com for Massachusetts providers.
- Visit the BlueCard® Provider Finder website at www.bcbs.com/healthtravel/finder.html.
- Call the BlueCard Program at **1-800-810-BLUE (2583)**, 24 hours a day, seven days a week.

When You Choose Non-Preferred Providers.

After your deductible has been met, you pay **40 percent** co-insurance for most out-of-network covered services.

Out-of-Pocket Maximum.

The out-of-pocket maximum applies to in-network and out-of-network covered services combined. When the money you pay for the deductible and 20 or 40 percent co-insurance equals **\$5,000** for a member in a calendar year (or **\$10,000** per family), benefits for that member (or that family) will be provided in full for those covered services, based on the allowed charge, for the rest of that calendar year. The money you pay for prescription drug benefits is not included in calculating the out-of-pocket maximum. You will still have to pay any costs that are not included in calculating the out-of-pocket maximum.

Emergency Room Services.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call 911 (or the local emergency phone number). After your deductible, you pay **20 percent** co-insurance per visit for in-network or out-of-network emergency room services.

Utilization Review Requirements.

You must follow the requirements of Utilization Review, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Home Health Care, and Individual Case Management. Information concerning Utilization Review is detailed in your subscriber certificate. If you need non-emergency or non-maternity hospitalization, you or someone on your behalf must call the number on your ID card for pre-approval. If you do not notify Blue Cross Blue Shield and receive pre-approval, your benefits may be reduced or denied.

Dependent Benefits.

This plan covers dependents to age 26, or for two calendar years after the dependent last qualified as a dependent under the Internal Revenue Code, whichever comes first. Additionally, this plan may cover unmarried full-time students or other unmarried dependents who do not otherwise qualify as eligible dependents. Please see your subscriber certificate (and riders, if any) for exact coverage details.
