

Preferred Blue PPOSM 80 With Copay

Summary of Benefits

Effective on anniversary dates on or after October 1, 2009

✓ This health plan meets Minimum Creditable Coverage Standards for Massachusetts effective January 1, 2009, as part of the Massachusetts Health Care Reform Law.

Your Choice

Your Deductible.

Your deductible is calculated on a plan-year basis. Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for most benefits under this plan. If you are not sure when your plan year begins, contact your group. Your deductible is the first **\$500** of covered charges per member each plan-year (or **\$1,000** per family). This deductible does not apply to certain in-network outpatient services for which you pay a copayment (see chart on opposite and back pages). This deductible applies to in-network and out-of-network services combined.

When You Choose Preferred Providers.

After your deductible has been met, you pay **20 percent** co-insurance for inpatient hospital, physician, and other provider covered services and some outpatient services. And, for other outpatient services you pay a **\$20** copayment for each visit. **The plan-year deductible does not apply to services for which you pay a copayment. Your copayments do not count towards your deductible.**

Please note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you use is not a preferred provider, you're still covered, but your benefits will be covered at the out-of-network level, even if the preferred provider refers you.

How to Find a Preferred Provider.

There are several ways to find a preferred provider:

- Look up a provider in the Provider Directory. If you need a copy of your directory, call Member Service at the number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com for Massachusetts providers.
- Visit the BlueCard® Provider Finder website at www.bcbs.com/healthtravel/finder.html.
- Call the BlueCard Program at **1-800-810-BLUE (2583)**, 24 hours a day, seven days a week.

When You Choose Non-Preferred Providers.

After you have met your deductible, you pay **40 percent** co-insurance for most out-of-network covered services. **However, you pay 20 percent co-insurance after your deductible for covered out-of-network outpatient services when the corresponding in-network benefit is a copayment, such as well-child care visits.**

In Massachusetts, payments to non-preferred providers are based on the allowed charge. Please be aware that this means you may still be responsible for any difference between the allowed charge and the provider's actual charge

Out-of-Pocket Maximum.

The out-of-pocket maximum applies to in-network and out-of-network covered services combined. When the money you pay for the deductible, **20 or 40 percent** co-insurance, and copayments that are more than \$100 per visit (if any) equals **\$5,000** for a member in a plan year (or **\$10,000** per family), benefits for that member (or that family) will be provided in full for those covered services, based on the allowed charge, for the rest of that plan year. The money you pay for prescription drug benefits is not included in calculating the out-of-pocket maximum. You will still have to pay any costs that are not included in the out-of-pocket maximum.

Emergency Room Services.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a **\$150** copayment per visit for in-network or out-of-network emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay. There is no deductible for these services.

Utilization Review Requirements.

You must follow the requirements of Utilization Review, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Home Health Care, and Individual Case Management. If you need non-emergency or non-maternity hospitalization, you or someone on your behalf must call the number on your ID card for pre-approval. Information concerning Utilization Review is detailed in your subscriber certificate and riders. If you do not notify Blue Cross Blue Shield and receive pre-approval, your benefits may be reduced or denied.

Dependent Benefits.

This plan covers dependents up to age 26, or for two years after the end of the calendar year in which they last qualified as a dependent under the Internal Revenue Code, whichever comes first. Additionally, this plan may cover unmarried full-time students or other unmarried dependents who do not otherwise qualify as eligible dependents. Please see your subscriber certificate (and riders, if any) for exact coverage details.
