Your Care

Your Primary Care Provider.

When you enroll in HMO Blue New England Premier Value with Co-insurance, you must choose a primary care provider (PCP) for you and each member of your family from any New England state. There are several ways to find a PCP: visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com; consult the Provider Directory; or call our Physician Selection Service at 1-800-821-1388. If you have trouble choosing a doctor, the Physician Selection Service can help. We can tell you whether a doctor is male or female, the medical school(s) he or she attended, and if any languages other than English are spoken in the office.

Referrals You Can Feel Better About.

Your PCP is the first person you call when you need routine or sick care (see *Emergency Care—Wherever You Are* for emergency care services). If you and your PCP decide that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist. The specialist will usually be one your PCP knows, probably someone affiliated with your PCP's hospital or medical group. Your provider may also work with Blue Cross Blue Shield concerning the Utilization Review Requirements, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. Information concerning Utilization Review is detailed in your subscriber certificate.

Your Inpatient Benefits.

Your deductible is calculated on a plan-year basis. Your plan year will differ based on whether you are enrolled as a group member or as an individual. If you are not sure when your plan year begins, contact Blue Cross Blue Shield. For inpatient admissions in a general or chronic disease hospital, you must meet the plan-year deductible before benefits are provided. Your deductible is **\$1,000** for each member (or **\$2,500** per family). After your deductible has been met, full coverage for inpatient admissions will be provided for the remainder of that plan year for these covered services. Inpatient admissions in a general hospital for mental health and substance abuse treatment are not subject to the inpatient deductible.

Out-of-Pocket Maximum.

When the money you pay for the deductible, co-insurance, and copayments that are more than **\$100** per visit equals **\$2,000** for a member in a plan year (or **\$4,000** per family), benefits for that member (or that family) will be provided in full for those covered services, based on the allowed charge, for the rest of that plan year. The money you pay for prescription drug benefits is not included in calculating the out-of-pocket maximum. You will still have to pay any costs that are not included in the out-of-pocket maximum.

Emergency Care—Wherever You Are.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a **\$200** copayment per visit for emergency room services. This copayment is waived if you're admitted to the hospital or for an observation stay.

HMO Blue New England Service Area.

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts, State of Rhode Island, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine.

When Outside the HMO Blue New England Service Area.

If you're traveling outside the service area and you need urgent or emergency care, go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. Any additional follow-up care must be arranged by your PCP. Please see your subscriber certificate for more information.

Dependent Benefits.

This plan covers dependents up to age 26, or for two years after the end of the calendar year in which they last qualified as a dependent under the Internal Revenue Code, whichever comes first. Additionally, this plan may cover unmarried full-time students or other unmarried dependents who do not otherwise qualify as eligible dependents. Please see your subscriber certificate (and riders, if any) for exact coverage details.
