COVERAGE BEGINS

Your coverage will be effective the first of the month following the month we receive your application.

IF YOU HAVE TO FILE A CLAIM

Network dentists will send claims to Blue Cross Blue Shield of Massachusetts for you. Just show them your Dental Blue 65 ID card. The payment will be sent directly to your dentist.

If you receive care from a non-network dentist, you may have to submit the claim yourself. If you file, send the Attending Dentist's Statement form with the original itemized bills. Any benefit payment will be sent to you. You can get a copy of the Attending Dentist's Statement form Member Service.

Any claims that you file should be sent to Blue Cross Blue Shield of Massachusetts, P.O. Box 986030, Boston, MA 02298. All member-submitted claims must be received within two years of the date of service.

The Blue Cross Blue Shield Grievance Program is fully described in the subscriber certificate.

OTHER INFORMATION

Coordination of benefits (COB) applies to plan members who are covered by another plan for health care expenses. COB ensures that payments from all health care plans do not exceed the total charges billed for covered services.

Your subscriber certificate has a subrogation clause. This does not affect the scope of benefits. This clause allows claim payments to be retracted when a member recovers payment for the same charges from a third party due to liability for injury.

RENEWAL AND PREMIUM CHANGES

CONTINUING YOUR DENTAL COVERAGE

You have the right to continue this dental plan as long as you pay your premiums for this dental plan on time, you do not make a material misrepresentation to Blue Cross Blue Shield of Massachusetts, you continue to reside in Massachusetts, and Blue Cross Blue Shield of Massachusetts continues to offer this coverage.

RIGHT TO CHANGE PREMIUM

Your dental premium for this dental plan may change. Blue Cross Blue Shield of Massachusetts will send you a notice at least 60 days before a change is effective. The notice will describe the change and tell you when it is effective. These changes will apply to all dental plans of this type, not just your dental plan.

ALLOWED CHARGE

Blue Cross Blue Shield of Massachusetts calculates payment of your benefits based on the allowed charge. The allowed charge that Blue Cross Blue Shield of Massachusetts uses depends on the type of dental provider that furnishes the covered service to you.

Participating Dentists

For covered services furnished by dentists who have a written payment agreement to furnish dental services to members enrolled in a Dental Blue plan, Blue Cross Blue Shield of Massachusetts calculates your benefits based on the provisions of the participating dentist's payment agreement and the participating dentist's contracted rate that is in effect at the time a covered service is furnished. This contracted rate is referred to as the dentist's allowed charge. In most cases, you do not have to pay the amount of the participating dentist's actual charge that is in excess of the allowed charge. However, there are certain situations when you will have to pay the difference between the claim payment and the participating dentist's actual charge.

Non-Participating Dentists

For covered services furnished by non-participating dentists, Blue Cross Blue Shield of Massachusetts calculates your benefits based on the usual and customary charge for covered services. The term "usual and customary" means the amount allowed

(also referred to as the "allowed charge") for a service in a geographic area based on the payment levels usually accepted by dentists in the area for the same or similar service. The usual and customary charge may sometimes be less than the dentist's actual charge. If this is the case, you will be responsible for the amount of the dentist's actual charge that is in excess of the usual and customary charge. Please see your certificate to determine what services are covered by non-participating dentists.

NOTICE OF RIGHT TO EXAMINE SUBSCRIBER CERTIFICATE FOR 10 DAYS

If you are a newly enrolled subscriber in this dental plan, you have 10 days from the date you received this subscriber certificate to review it. If you are not satisfied for any reason, you have the right to return the subscriber certificate within 10 days and have your premium refunded to you.
