Introducing....

NEW USABLE Life Online Services. USABLE Life now brings you enhanced functionality for our online services portal. The new services provide benefit administrators the ability to conduct many of their everyday functions in a *paperless, online, secure* environment at www.usablelife.com.

Now you can ensure your employee's information is kept accurate and up-to-date, even between billing cycles. Simple and easy to use!

Go to www.usablelife.com to register or LOGIN to get started!

To register, simply go to www.usablelife.com, select Login, then Register for Online Services, complete the online form and click Submit.
