

MASSACHUSETTS

# Vital Insurance Protection™ (VIP) 2002

## Summary of Benefits

This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that will be effective January 1, 2009, as part of the Massachusetts Health Care Reform Law.

# About the Plan

## You Are Free to Choose.

With VIP 2002, you may use any Blue Cross Blue Shield-participating provider in the United States. In Massachusetts, all general hospitals and most physicians participate with Blue Cross Blue Shield. There are no claim forms for services you receive in Massachusetts by a participating provider. With your health care plan there are reasonable out-of-pocket expenses. And, your plan gives you nationwide access to participating hospitals and medical, surgical, and other health care providers.

## To Find a Provider.

To find a participating provider within Massachusetts, call our Physician Selection Service at **1-800-821-1388** or visit our website at [www.bluecrossma.com](http://www.bluecrossma.com). If you're receiving care outside of Massachusetts and you need to locate a doctor or hospital that participates with the local Blue Cross Blue Shield plan, or if you need help finding a specialist, just call **1-800-810-BLUE (2583)**.

## The BlueCard® Program.

The BlueCard Program gives you access to participating providers throughout the United States. There are no claims to submit, no paperwork, and no up-front costs. You need only go to a BlueCard-participating doctor or hospital and show your ID card when you need care. You simply pay your deductible and co-insurance as usual. If you choose to see a non-participating provider, you may have to file the claim yourself to be reimbursed for your expenses. (Please note: participating providers are restricted from billing you for the balance of their charges that exceed the negotiated discount amount except as provided otherwise by law.)

You can find participating providers or check a provider's current status in several ways:

- Call **1-800-810-BLUE (2583)**. Please have your ID card ready. If you have not received your ID card, let the representative know that you are looking for participating providers in the area in which you wish to seek care.
- Visit the BlueCard Provider Finder website at [www.bcbs.com/healthtravel/finder.html](http://www.bcbs.com/healthtravel/finder.html).

Please note: If you are outside the United States and need medical care, call **1-800-810-BLUE (2583)**. A medical assistance coordinator, along with a nurse, will make a doctor's appointment for you or arrange for hospitalization if necessary.

## Lifetime Maximum.

Each member has a **\$2,000,000** lifetime benefit maximum for all covered services.

## The Deductible.

**Your deductible is calculated on a calendar-year basis.**

Your deductible is the amount of money you pay out-of-pocket each calendar year before you can receive coverage for most benefits under this plan. The calendar-year deductible begins on January 1 and ends on December 31 of each year. Your deductible is the first **\$250** of covered charges per member each calendar year. This deductible does not apply to services for which you pay a copayment, prescription drugs, or routine physical exams. Your copayments do not count toward your calendar-year deductible.

## Co-insurance Maximum.

You pay **20 percent** co-insurance for hospital outpatient services and a **\$15** copayment for professional provider or health center services. When the money paid for the 20 percent co-insurance equals **\$2,000** for a member in a calendar year (or **\$5,000** per family), full coverage, based on the allowed charge, is provided for the remainder of that calendar year. The money you pay for copayments, including prescription drug copayments, is not included in calculating the co-insurance maximum. You will still have to pay any costs that are not included in the co-insurance maximum.

## Utilization Review Requirements.

You must follow the requirements of Utilization Review, which are Pre-Admission Review, Concurrent Review and Discharge Planning, and Individual Case Management. Information concerning Utilization Review is detailed in your subscriber certificate. If you need non-emergency or non-maternity hospitalization, you, or someone on your behalf, must call the number on your ID card for pre-approval. If you do not notify Blue Cross Blue Shield and receive pre-approval, your benefits may be reduced or denied.

## Dependent Benefits.

This plan covers dependents to age 26, or for two calendar years after the dependent last qualified as a dependent under the Internal Revenue Code, whichever comes first. Additionally, this plan may cover unmarried full-time students or other unmarried dependents who do not otherwise qualify as eligible dependents. Please see your subscriber certificate (and riders, if any) for exact coverage details.
