2013 Open Enrollment Waiver Information and Instructions

Massachusetts and federal law limit when you can buy a commercial health insurance plan. Some people may meet special conditions and can buy insurance at any time. Others must buy insurance during the open enrollment periods.

The 2013 and 2014 open enrollment periods are:

- July 1, 2013 - August 15, 2013
- October 1, 2013 - March 31, 2014
- October 15, 2014 - December 7, 2014

If you missed the open enrollment period, then you might qualify for a waiver of the open enrollment period if you meet certain criteria. You may use this form to request a waiver from August 16, 2013 through September 30, 2013.

- You may qualify for a waiver if you are a Massachusetts resident, and
  - You recently lost health insurance coverage under a group plan, governmental plan, church plan or COBRA; or
  - You are uninsured and did not intentionally forgo enrollment in health insurance; or
  - You are not eligible for insurance through work

- You must first apply for coverage to a health insurance plan or agent and be turned down before you can apply for a waiver. You can apply for insurance on-line through the Connector at www.mahealthconnector.org or by calling 877-MA-ENROLL.

- You do not need a waiver if you are:
  - an eligible individual applying for coverage within 63 days of termination of prior group coverage or because your current nongroup coverage will be ending due to involuntary termination; or
  - a small business owner or self-employed (contact Business Express at 866-636-4654)
  - a young adult ages 18-26 if eligible and applying for a young adult plan (call 877-MA-ENROLL), because open enrollment rules do not apply to young adult plans and no open enrollment waiver is needed

- You cannot get a waiver if your employer offers health insurance that meets minimum creditable coverage, even if you cannot sign up for it right now.

- You cannot get a waiver if you have or had health insurance coverage that you voluntarily terminated. You may be able to buy insurance during the next open enrollment period.
Please note that this form is not an application for health insurance. If your waiver request is approved, you must then complete the application process with the health insurance plan or agent to which you originally applied. You will not have health insurance until your complete application is accepted and you pay your premium.

To apply for a waiver, you will need:

☐ This completed Open Enrollment Waiver form; and
☐ A copy of the letter or notice denying your application to purchase health insurance

Please mail or fax your completed Open Enrollment Waiver form AND the notice denying your application to purchase health insurance to:

Explanation of terms used in this form

Commonwealth Care is a subsidized health insurance plan for adults who meet income requirements, that is offered by the Connector (through 2013).

The Connector is the Commonwealth Health Insurance Connector Authority, an insurance marketplace in the state of Massachusetts. You can reach the Connector at 877-MA-ENROLL or www.mahealthconnector.org.

Eligible individual is a resident of Massachusetts who does not have access to health insurance through an employer or spouse’s employer that meets minimum creditable coverage.

Medicaid (MassHealth) is health insurance for some adults and children with limited income.

Minimum creditable coverage is the set of health insurance benefits that you need in Massachusetts to be considered insured and to avoid Massachusetts tax penalties.

Voluntary termination is taking action, including not paying a premium, that leads to cancellation of health insurance.
