Re: Coordination of Benefits for prescription drug coverage

Dear [REDACTED]:

Thank you for being a member of Blue MedicareRxSM (PDP) for your Medicare Part D coverage. Medicare typically informs us when a member has other prescription drug coverage. Other coverage may affect how much you pay for prescriptions at both retail and mail order pharmacies. **Please take this moment to ensure your coverage information is up-to-date.**

Why Pay More? Get the MOST from Your Prescription Benefits!

To ensure you get all of the benefits to which you are entitled from all applicable insurers, we need to know whether you have other prescription drug coverage. If our records indicate that you have other prescription drug coverage, that coverage information will be reflected in the table(s) below. If the table below is blank and you do have other prescription drug coverage, please call us at the number below to provide us with your additional coverage information.

Here's how to compare your current coverage(s) with what's stated in this letter:

1. Find all ID cards for your insurance carriers.
2. Check the ID card information against the Insurer Name, Effective & Termination Dates, and the Rx ID, RxGroup, RxBin, & RxPCN codes shown below. (Additional coverage may be listed on the reverse side of this page.)

Insurer:		Effective Date:	Term Date:
MASS PRESCRIPTION ADVANTAGE		08/01/2013	
RxID	RxGroup	RxBin	RxPCN
[REDACTED]	MPSEAM	610084	MPSEAM

NOTE: If your information matches exactly, STOP—there's nothing more you need to do.

Hours of operation are 24 hours a day, 7 days a week. (TTY/TDD users should call 1-866-552-6288.) Remember, there's no need to contact us—if our information matches the coverage you currently have.

Sincerely,

Blue MedicareRx
