### Policy

#### Commercial Members: Managed Care (HMO and POS), PPO, and Indemnity

**Note:** All requests for outpatient retail pharmacy for indications listed and not listed on the medical policy guidelines may be submitted to BCBSMA Clinical Pharmacy Operations by completing the Prior Authorization Form on the last page of this document. Physicians may also call BCBSMA Pharmacy Operations department at (800)366-7778 to request a prior authorization/formulary exception verbally. Physicians may also submit requests for retail pharmacy exceptions via the web using Express PA which can be found on the BCBSMA provider portal or directly on the web at <https://provider.express-path.com>. Patients must have pharmacy benefits under their subscriber certificates.

Please refer to the chart below for the formulary and step status of the medications affected by this policy.

\*\*Non formulary medications are covered when a formulary exception request is submitted to BCBSMA Pharmacy Operations and criteria below are met.

<b>Vogelxo™**</b> (testosterone gel)	

We may cover the Topical Testosterone medications listed in the chart above for new starts\* in the following stepped approach.<sup>1</sup>

\*New start is defined as no previous paid claim for the requested medication within the past 130 days

**Step 1:** Step 1 medications will be covered without prior authorization.

**Step 2:** Step 2 medications may be covered when **one** of the following criteria are met:

- There must be evidence of a BCBSMA paid claim by the patient of a step 1 medication within the previous 130 days.
- OR**
- There must be evidence of a BCBSMA paid claim by the patient of a step 2 medication within the previous 130 days.

\*\* Non formulary medications are covered when a formulary exception request is submitted to BCBSMA Pharmacy Operations and requires **TWO** formulary drugs to be tried prior to granting a Formulary Exception (FE).

Note:\*Exception requests based exclusively on the use of samples will not meet coverage criteria for non-formulary medications. Additional clinical information demonstrating medical necessity of the non-formulary medication must be submitted by the requesting prescriber for review.

We do not cover drugs listed in the above chart unless the above step therapy criteria are met.

### Individual Consideration

All our medical policies are written for the majority of people with a given condition. Each policy is based on medical science. For many of our medical policies, each individual's unique clinical circumstances may be considered in light of current scientific literature. Physicians may send relevant clinical information for individual patients for consideration to:
