

Hospital Choice Cost Sharing

Your medical plan gives you an opportunity to control your share of medical costs for hospital care. That's because what you pay depends on the hospital or related facility you choose.

- Lower Cost Share (\$) applies to hospitals and related facilities that have met our quality benchmarks and are lower cost. You pay less when you get care at these hospitals.
- Higher Cost Share (\$\$) applies to hospitals and related facilities that are higher cost. You pay more when you get care at these hospitals.

These costs apply to inpatient care, outpatient day surgery, outpatient high-tech radiology, outpatient diagnostic lab tests, outpatient diagnostic X-rays and other imaging tests, and outpatient short-term rehabilitation therapy.

This sheet can help you get the highest value from your plan. Just follow the simple steps below to assess your hospitals and your options. Your health benefits will tell you what your specific share of the costs is. If you're unsure, you can call the number on the front of your member ID card.

Step 1: Make a List of the Hospitals Where You Receive Care.

List all the hospitals and clinics where you and your family go for care in the table below. Be sure to check which hospitals your doctors refer to when you make your list.

This health plan option includes a tiered network feature called Hospital Choice Cost Sharing. As a member in this plan, you'll pay different levels of cost share* (such as copayments and/or co-insurance) for certain services depending on the network* general hospital you choose to furnish those covered services. For most network* general hospitals, you'll pay the lowest cost sharing level*. However, if you receive certain covered services from some network* general hospitals, you pay the highest cost sharing level*. A network* general hospital's cost sharing level may change from time to time. Overall changes to add another network* general hospital to the highest cost sharing level will happen no more than once each calendar year. For help in finding a network* general hospital for which you pay the lowest cost sharing level, check the most current provider directory for your health plan option or visit the online provider search tool at bluecrossma.com/hospitalchoice. Then click on the Planning Guide link on the left navigation to download a printable network hospital list or to access the provider search page.
