

Blue Care[®] Elect (PPO)

90/70 Option

Summary of Benefits

This health plan, on its own, does not meet Minimum Creditable Coverage Standards for Massachusetts residents that will be effective January 1, 2009, as part of the Massachusetts Health Care Reform Law.

Your Choice

When You Choose Preferred Providers.

You receive the highest level of benefits under your health care plan when you obtain covered services from preferred providers. These are called your “in-network” benefits. You can also obtain covered services from non-preferred providers, but your out-of-pocket costs are higher. These are called your “out-of-network” benefits.

When You Choose Preferred Providers.

You must pay a calendar-year deductible for in-network covered services. The calendar-year deductible begins on January 1 and ends on December 31 of each year. The deductible is **\$100** for each member. After you have met your deductible, you pay **10 percent** co-insurance for in-network covered services. **The calendar-year deductible does not apply to emergency room services, preventive medical exams, or prescription drugs.**

Please note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you use is not a preferred provider, you’re still covered, but your benefits will be covered at the out-of-network level, even if the preferred provider refers you.

How to Find a Preferred Provider.

There are several ways to find a preferred provider:

- Look up a provider in the preferred provider directory. If you need a copy of your provider directory, call Member Service at the number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com for Massachusetts providers.
- Visit the BlueCard® Provider Finder website at www.bcbs.com/healthtravel/finder.html.
- Call the BlueCard Program at **1-800-810-BLUE (2583)**, 24 hours a day, seven days a week.

When You Choose Non-Preferred Providers.

You must pay a calendar-year deductible for out-of-network services. The calendar-year deductible begins on January 1 and ends on December 31 each year. The deductible is **\$300** for each member. After you have met your deductible, you pay **30 percent** co-insurance for out-of-network covered services. **The calendar-year deductible does not apply to emergency room services, preventive medical exams, or prescription drugs.**

Your Co-insurance Maximum.

When the money paid for the **10 or 30 percent** co-insurance equals **\$3,000** for a member in a calendar year, benefits for that member will be provided in full, based on the allowed charge, for the rest of that calendar year.

Emergency Room Services.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay **10 percent** co-insurance for in-network or out-of-network emergency room services. **The deductibles does not apply.**

Utilization Review Requirements.

You must follow the requirements of Utilization Review, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Home Health Care, and Individual Case Management. Information concerning Utilization Review is detailed in your subscriber certificate. If you need non-emergency or non-maternity hospitalization, you or someone on your behalf must call the number on your ID card for pre-approval. If you do not notify Blue Cross Blue Shield and receive pre-approval, your benefits may be reduced or denied.

Dependent Benefits.

This plan covers dependents to age 26, or for two calendar years after the dependent last qualified as a dependent under the Internal Revenue Code, whichever comes first. Additionally, this plan may cover unmarried full-time students or other unmarried dependents who do not otherwise qualify as eligible dependents. Please see your subscriber certificate (and riders, if any) for exact coverage details.
