

## GeoBlue Traveler for Higher Ed Blue

Offered to Schools participating in the Higher Ed Blue program through Blue Cross Blue Shield of Massachusetts

The Traveler plan provides comprehensive supplemental coverage for employees on short-term trips, less than 180 days, outside of the U.S. The benefits are rich, providing coverage for sickness and injury such as an upset stomach or sprained ankle, to more serious needs such as hospitalization or medical evacuation.

### GeoBlue is a leader and innovator serving the needs of world travelers.

GeoBlue group health plans combine unsurpassed service with state-of-the-art mobile technology to help our members access trusted doctors and hospitals all around the globe. GeoBlue Traveler is a Blue branded group plan offered in cooperation with local Blue Cross and Blue Shield companies, which collectively cover 1 in 3 Americans. The plan offers members convenient access to the doctors and hospitals participating in the GeoBlue network outside the U.S.

#### Elite Provider Network

GeoBlue has a unique process for evaluating international medical providers that is unparalleled in the international insurance industry. Through this strict vetting process, GeoBlue brings our members English-speaking, western-trained physicians and top-notch medical care no matter where their assignments take them. Members can travel with confidence, knowing an experienced GeoBlue global health coordinator will schedule doctor appointments, guarantee payments for cashless access to care and arrange for any necessary follow up treatment.

#### Innovative Mobile Technology

GeoBlue's state-of-the-art mobile tools empower members to decide what level of care to seek and to quickly identify the best and most convenient options. These tools include detailed provider and hospital profiles, medical terms and medication translation databases, security profiles and more.

#### High Touch Customer Service

We pride ourselves on our high standard of customer service. Whether a member needs assistance locating a cardiologist in Hong Kong or addressing specific concerns while on assignment, GeoBlue is available 24/7.
